Employment History

July 2006 – Present: SiteWizard (www.sitewizard.co.uk)

Web Designer: Using SiteWizard's award winning CMS (content management system) I am part of a team tasked with creating a wide verity of websites for both national and international clients.

While at SiteWizard I have gained a vast range of experience creating websites for a large verity of business sectors, all with their own individual requirements. I have also have become accustom to a verity of graphic design skills which I have used to create company logos and corporate stationary for several of our clients.

June 2005 – March 2006: Morrison's Supermarket

Warehouse Assistant: Many responsibilities including taking deliveries, stock control and waste management.

June 2001 – May 2004: Iceland Frozen Food Plc

Stock and Shop Assistant: Responsibilities included, taking deliveries, home shopping, customer services, merchandising new products and appliance sales.
